

**Bents Farm Day Nursery
September 2021**

We would like to say a huge welcome to all the new families that have joined us this month.

At last COVID restrictions have been lifted and we can all get back to some normality.

Don't forget that your little ones are being exposed to viruses they have not come across for the last 18 months therefore don't be alarmed if your child seems to be under the weather until their immune system is fully restored.

) Please do not bring your child to nursery if they have had any Un-prescribed medication INCLUDING (CALPOL)

Topic – Our topic for October is 'Autumn' and the country for October is 'Mexico'.

Open door – As restrictions have been lifted we are more than happy for you all to come in every morning and evening, watch your child play and have a chat with the staff who have cared for your child.

Close door – Please remember to close the main door as you go out as not everyone who comes to the door is permitted entry.

Photos – Don't forget the photographer will be in the setting on Tuesday 19th October to take pictures of all children. If your child does not attend please come along between 7.30 and 11.30 to have their photo taken. The photos will be back in plenty of time for Christmas so will solve lots of family gifts!!

Staff – Lots of new faces for you to get used to, now we have our masks off everyone looks different!

Changes – Please inform us of your new address or phone number if your details change.

Buy or sell – If you have any items you would like to buy or sell or things of interest to other parents please let us know and we will put your details on the newsletter at the end of each month.

Paediatric First Aid Courses – As emailed previously we received a bundle of paediatric first aid refresher courses to do online. We have got 74 left to use so if you would like one please email us and let us know and we will forward one across to you.

Facebook – We have regular updates and pictures on our page so please give us a "Like" if you haven't already and if you want to "share" our page that would be great!!!!

Julie, Steven & the team.

Useful Information

Website – You may find www.childcarechoices.co.uk useful for government information about Tax-Free Childcare and the 30hours funding

Useful websites – Two new websites to help parents keep children happy, healthy and safe with useful tips on: - Teething, sleeping, eating, behaviour, school readiness etc.
