

**Bents Farm Day Nursery
October 2021**

We would like to say a huge welcome to all the new families that have joined us this month.

Don't forget that your little ones are being exposed to viruses they have not come across for the last 18 months therefore don't be alarmed if your child seems to be under the weather until their immune system is fully restored.

**) Please do not bring your child to nursery if they have had any
Un-prescribed medication INCLUDING (CALPOL)**

Topic – Our topic for November is 'Autumn' and the country for October is 'Israel'.

Open door – This month it has been lovely to welcome you all back in to the rooms and have a catch up with you all, it's so much better than standing on the doorstep exchanging information. I hope that now you are coming in you are enjoying seeing your children playing and settled in and are able to meet new staff that have joined us.

Close door – Please remember to close the main door as you go out as not everyone who comes to the door is permitted entry.

Photos – You should all now have received your photo order form with your child's photo on, please do all your ordering online in time to get them back before Christmas.

Events – The bonfire and fireworks will not take place this year as we feel we are just getting back to normality, however we are planning to do all our Christmas activities so preschool are learning their script! Nursery and babies are learning Christmas songs and the red suit and beard is on the hanger. We will let you know the finer details next month!

Changes – Please inform us of your new address or phone number if your details change.

Buy or sell – If you have any items you would like to buy or sell or things of interest to other parents please let us know and we will put your details on the newsletter at the end of each month.

Paediatric First Aid Courses – As emailed previously we received a bundle of paediatric first aid refresher courses to do online. We have got 74 left to use so if you would like one please email us and let us know and we will forward one across to you.

Facebook – We have regular updates and pictures on our page so please give us a "Like" if you haven't already and if you want to "share" our page that would be great!!!!

Julie, Steven & the team.

Useful Information

Website – You may find www.childcarechoices.co.uk useful for government information about Tax-Free Childcare and the 30hours funding

Useful websites – Two new websites to help parents keep children happy, healthy and safe with useful tips on: - Teething, sleeping, eating, behaviour, school readiness etc.
